Tee it **FORWARD**

Tee it FORWARD is a joint initiative between the **USGA** and **The PGA of America** that encourages players to play from a set of tees best suited to their driving distance. In addition to providing more enjoyment for golfers, Tee it FORWARD also can be one of the most important steps that golfers take in improving pace of play.

A recent survey of **Tee it FORWARD** participants found that:

- 56 percent played faster
- 56 percent are likely to play golf more often
- 83 percent hit more-lofted clubs into greens
- 85 percent had more fun
- 93 percent will Tee It FORWARD again

“We hope that you give it a try. You’ll have more fun and your rounds will take less time to play.” Jack Nicklaus
